

Girl Scout Sunday—March 8, 2026
Celebrating National Girl Scout Sunday

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Since 1912, Girl Scouts has been building girls of courage, confidence, and character who make the world a better place. Girl Scouts serves youth in grades 4K-12, helping them discover their values, feel a sense of belonging, build leadership skills, form positive friendships, and give back to their communities.

We are currently welcoming new youth members and adult volunteers who want to make a difference. Join us today!
